Would you like to join me by adding funny stories to this thread?

No rasism or sex-stories that would deeply offend people.

Okay?

Here is the first one - I had it today from a Georgioupoli-friend from England, called Terry:

### TOILET PAPER

Fresh from my shower, I stand in front of the mirror complaining to my husband that my breasts are too small.

Instead of characteristically telling me it's not so, he uncharacteristically comes up with a suggestion.

If you want your breasts to grow, then every day take a piece oftoilet paper and rub it between them for a few seconds".

Willing to try anything, I fetch a piece of toilet paper and stand in front of the mirror, rubbing it between my breasts.

"How long will this take?" I asked.

They will grow larger over a period of years," my husband replies.

I stopped. "Do you really think rubbing a piece of toilet paper between my breasts every day will make my breasts larger over the years?"

Without missing a beat he says, "Worked for your arse, didn't it?"

He's still alive, and with a great deal of therapy, he may even walk again, although he will probably continue to take his meals through a straw.

Stupid, stupid man.:lol:
